System Integration and Collaborative Capabilities

Continuous Innovation and R&D Capabilities

AFTER-SALE SERVICE

Warranty and Guarantee

Your satisfaction is our top priority. All single-station equipment and production lines sold by Yao Laser come with a one-year free warranty and a lifetime quality guarantee, covering any manufacturing defects or malfunctions. If you encounter any issues, rest assured, we will promptly address them, ensuring your peace of mind.

Quality Assurance

At Yao Laser, we place the highest priority on delivering products of the utmost quality. Before any sale, our Battery Modules and PACKs undergo rigorous testing and inspection to ensure they meet the industry's highest standards. We are committed to providing you with reliable and safe products that exceed your expectations.

Customer Support

Our team of experts is here to assist you through the whole process. Whether you have questions about product features, compatibility, or any other concerns, we offer personalized consult services to ensure you make the right choice.

PROCESS DISPLAY

Independent consultant partners & Distributor

Flamingo Partner

You already have a primary occupation and are looking for additional income. You have limited time to dedicate to international business development, but you still manage to source, contact, and connect specialized product agents with clients interested in our products.

Swan Partner

You are looking for a part-time activity and wish to become a trained and certified agent for our products through our company. You can make time to attend weekly meetings and manage product delivery to clients. However, you would like to be accompanied by one of our agents to finalize your sales. In this case, you will collaborate with one of our eagle agents who can help you finalize the needs analysis and invest their time in training you on the products.

Eagle Partner

As an integral part of the company, you are seeking a primary activity with maximum profitability. You manage your client portfolio from A to Z and independently place orders. You communicate directly with our product support team. You dedicate daily time to product training, enhancing the company's online visibility, and contributing to database improvements. You participate in all company meetings and events.

Distributor

Become our global distributor if you have stable clients and markets. We will give you best price quotes and provide auxiliary material inquiry and procurement services.
